GULF STATES REGION LEADERSHIP CONFERENCE SPONSORSHIP

August 1st & 2nd 2008

The Gulf States Leadership conference is attended by over one hundred CSI leaders from throughout Arkansas, Mississippi, Tennessee, and northern Florida and Louisiana. All of these individuals are involved in design and construction. The conference offers a special opportunity display and discuss your products and receive increased name recognition. Only a limited number of sponsors are being sought and we will avoid duplicating the same types of products.

Given the limited competition and down-to-earth, laid-back atmosphere of this event, there will be plenty of time converse with attendees. Don't miss this marketing opportunity.
